SCOPE WHICH NEVER ENDS..

ABOUT THE INSTITUTION

Sankara Educational Institutions, sponsored by the Coimbatore Educational and Cultural Foundation Trust and founded by 'Kalvi Chemmal' Sri.T.K. Pattabhiraman with the blessings of His Holiness Paramachariar, has a proud legacy of excellence. The foundation stone for Sankara Polytechnic College (SPC) was laid by Sri Jayendra Saraswathi Swamigal in August 1982, and the college was inaugurated in 1983 by Tamil Nadu Education Minister Thiru. C. Aranganayagam. Under the visionary leadership of Thiru. T.P. Ramchandran, SPC has emerged as one of South India's premier polytechnic colleges, renowned for its innovative teaching methods, excellent infrastructure, and commitment to transforming students into global leaders.

ABOUT SHRI LALITHAMBIGA TRUST

Shri Lalithambiga Trust is a dedicated non-governmental organization (NGO) committed to serving society through various philanthropic and educational initiatives. Established in 1997 by Swami Jagadatmananda Saraswati (formerly known as Sri Jagannatha Swami). With a strong commitment to social welfare and holistic development, Shri Lalithambiga Trust continues to make a meaningful impact on society through its dedicated efforts in education, healthcare, and community service.

ABOUT VALUE EDUCATION

Empowering Future Generations through Values and Ethics In an increasingly complex and interconnected world, academic excellence alone is not sufficient. Value education plays a vital role in shaping the minds and hearts of future generations by instilling essential life skills, empathy, and a strong moral compass. Through values such as compassion, honesty, and responsibility, we empower individuals to become active, engaged, and responsible citizens.

ABOUT CONFERENCE

The National Conference on Value Education is designed to bring together educators, policymakers, researchers, and stakeholders from across the country. Our goal is to share best practices, research, and innovations that will contribute to a more compassionate, responsible, and values-driven society. Through keynote addresses, panel discussions, and paper presentations, we aim to:

- Explore the Significance of Value Education: Understand its critical role in contemporary society.
- Share Strategies: Present effective models for integrating value education into school curricula.
- Engage Stakeholders: Discuss the role of parents, teachers, and policymakers in promoting value education.
- Innovative Approach: Identify new methods, including the use of technology and community engagement, to enhance value education.

CALL FOR PAPERS

The conference invites innovative papers with original thinking on the following sub themes from Teacher educators, research scholars, students, Parents, Educational administrators from colleges universities and NGOs working in the field of education and/or special education
